

Assembly Movement:

If you haven't heard by now, we are losing three councils from our Assembly. Clonmel-Schulte #3114 and Danville #3828 have decided to start their own Assembly, while Newton #976 is chartering with Pilsen, Marion and the surrounding area. We are saddened they are leaving us, but this is to let known to all those members from those councils, **you have the right** to say which Assembly you want to belong to; if you wish to join the new Assemblies, that is fine; but if you desire to stay with Columbia, don't let anyone say you can't. Just because the council has voted to change their Assembly affiliation, doesn't mean you have to follow suit.

**Fraternally,
The Assembly Officers**
